Harrington&Squires Letterpress Workshops

One day workshops can be booked on most weekdays depending on our other work commitments and what suits you.

The price is £150 for a day from 10am – 5.30pm and includes materials and lunch.

As we have limited space there will be a maximum of two people per day.

The workshop covers the following aspects of letterpress printing with one-to-one teaching:

- Basic introduction to design and typography
- Hand-setting metal type and locking up in a chase
- Printing on an Adana 8x5 and a Farley proofing press
- Simple bookbinding and finishing, depending on your project

We have a range of text typefaces including Gill Sans, Bembo and Garamond in point sizes from 6pt to 72pt as well as smaller amounts of more unusual faces. We also have a selection of wooden type. You may have a specific project in mind such as a business card, personal stationery or postcards, or you may want to come and just experiment. You can aim to finish the day with a completed edition of, for example, 100 business cards or letterheads. If you require special paper stock you are welcome to bring your own paper otherwise we will provide all paper and other materials.

For further information, please contact Vicky Fullick or Chrissie Charlton at:
